## HTML LISTS

### AIM

To create an html page which includes name, family details, favorite fruits and flowers.

### CODE

```
<H1>
```

```
<Head>
```

```
<Title> Lists </Title>
```

```
</Head>
```

```
<Body leftmargin = "10%" bgcolor = "black"  
text = "white">
```

```
<H2> Hi, myself VINCE JOSEPH </H2>
```

```
<UL type = 'square'>
```

```
<li> About Family: </li>
```

<ol type = '1'>

<li> Father: Johnny P A </li>

<li> Mother: Mary </li>

</ol>

<br>

<li> Favorite fruits </li>

<ol type = "1">

<li style = "color : yellow"> Mango </li>

<li style = "color : #6f2d98"> Oranges </li>

<li style = "color : #66b477"> Green Apple </li>

</ol>

<br>

<li> Favorite flower </li>

<ol type = '1'>

<li style = "color : yellow"> Jasmine </li>

<li style = "color : yellow"> Sunflower </li>

<li style = "color : #ff7f50"> Tulip </li>

</ol>

</ul> </body> </html>

RESULT: The program was successfully executed.

## OUTPUT

Cists

Hi, Myself VINCE JOSEPH
